Production Loss in Phosphatic Fertilizer Units due to Non-Supply of Phosphoric Acid

355. SHRI KRISHNA KUMAR BIRLA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government are aware that the phosphatic fertilizer units in the country are likely to suffer huge production loss due to the non-supply of imported phosphoric acid to these units;

(b) whether phosphoric acid shipments have come standstill resulting in the gradual closure of phosphatic fertilizer units in the country;

(c) if so, what are the reasons therefor stating the evaluation, if any made by Government with regard to the prevailing crisis and the estimated loss suffered by these units; and

(d) the manner in which Government propose to retrieve the situation?

THE MINISTER OF STATE IN THE DEPARTMENT OF FERTILIZERS IN THE MINISTRY OF AGRICULTURE (SHRI R. PRABHU): (a) No contract was concluded for the 1st semester of 1989, with the supplier of phosphoric acid, who quoted unreasonably high prices. In such circumstances, the plants dependent entirely on imported phosphoric acid have been partially or completely shut down since January, 1989. If additional supplies were available, the fertiliser plants could have produced an additional 2.69 lakhs tonnes of phosphatic fertilizers in terms of P_2O_5 upto 31.3.1989.

(d) The target of indigenous production of phosphatic fertilisers for 1988-89 has been fully achieved. As in previous years, import of DAP is being arranged to fill the gap between indigenous supply and the demand for phosphatic fertilisers. The quantum of imports would be decided keeping in view the shortfall over targeted production, if any, due to non-availability of imported phosphoric acid.

Allotment of lands for schools, dispensaries, religious places, Shopping Complex and Community Centre in Vasant Vihar

552. SHRI SOHAN LAL DHUSIYA: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether Land and Development Office, Directorate of Estates had received requests from area welfare associations of

Vasant Vihar C.P.W.D. Complex, New Delhi for providing sites for (i) MCD Primary School; (ii) Higher Secondary School; (iii) C.G.H.S. Dispensary; (iv) Religious Place; (v) Market/Shopping Complex; (vi) Community Centre etc. sometime during the years 1987 and 1988;

(b) if so, the number of such representations received by the authority concerned with the area and action taken on each of them till date; and

(c) by when these facilities/basic amenities are likely to be provided to the residents of the area?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) to (c) (i) *MCD Primary School*—Three requests for allotment of land for primary school to MCD were received. Allotment has already been issued. However, the portion of the land allotted to MCD has been encroached upon by the allottee of the adjoining plot. The vacant possession of the sites will be handed over after getting the encroachment removed.

(ii) *Higher Secondary School.*—One request has been received for allotment of land to Delhi Administration for Higher Secondary School. The case for allotment is under process.

(iii) *C.G.H.S. Dispensary.*—No request has been received for allotment of land for C.G.H.S. dispensary. In the layout plan for the area, one plot has been earmarked for the C.G.H.S. dispensary. However, the locality does not fulfil the criteria for running a new C.G.H.S. dispensary as the basic concentration of 2000—2500 Central Government Employees within a radius of 3 Kms. is required for opening a new C.G.H.S. dispensary in a city already having C.G.H.S. Services.

(iv) *Religious Places.*—One request has been received for allotment of land for a religious place. In the layout plan for the area, no land for a religious institution is available.

(v) and (vi) *Market/Shopping Complex and Community Centre.*—No request has been received for allotment of land for a Shopping Centre or a Community Centre. However, one plot each has been earmarked in the layout plan of the area.

TV Relay stations in District Headquarters

553. SHRI BASUDEB MOHAPATRA: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) the total number of District Headquarters already covered by TV Relay Stations;

(b) what is the number of District Headquarters not having TV Relay Stations in the country;

(c) by when Government propose to start such stations in each District Headquarters; and

(d) whether Government have taken any policy decision to set up TV Relay station in each district headquarters?

THE MINISTER OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF INFORMATION AND BROADCASTING (SHRI H. K. L. BHAGAT): (a) to (d) 370 district headquarter towns out of a total of 412 in the country (as per 1981 census) are, at present, covered by TV service. Whereas TV transmitters are functioning in 259 of these towns, 111 headquarter towns receive TV service from transmitters functioning in the adjoining areas. On completion of the various Seventh Plan Schemes, all the district headquarters towns, as per 1981 census, are expected to be covered by TV Service, either by transmitters functioning in those towns or by transmitters functioning in the adjoining areas.
